

GOWILD! ALL-YOU-CAN-FLY PASS™

1. Why don't I see GoWild! fares listed in my flight select?

To view GoWild! fares you must use FlyFrontier.com (not the Frontier mobile app), be logged in to your FRONTIER Miles account, and have a valid GoWild! Pass. Once you have logged in to your account you can search for a flight to see the GoWild! Pass seats are available.

If you suddenly have problems seeing GoWild! fares when you could previously, first re-confirm that you are logged in to your account, as sessions do expire. If the problem persists, try logging out and back in, clearing your browser cache, or closing and restarting your web browser.

2. How do I book a GoWild! flight?

Step 1: Log in with your FRONTIER Miles account with a valid GoWild! Pass

Step 2: Search for a flight to see the GoWild! Pass seats available

Step 3: You will see 3 different options for each flight, Standard, Discount Den, and your GoWild! price

Step 4: Your GoWild! flight will be listed with all the government taxes and fees included with your fare of \$0.01
